

500 CHALLENGE

Can you play your instrument for 500 minutes in the month of May? Record how many minutes you have played your instrument in the boxes below. Each week calculate how many minutes you have done. If you learn more than one instrument, you can track ALL of your playing time on this sheet. Check out www.ignitemusic.co.nz/info for more ideas on what to practice.

Your parents must sign each day off for them to count - see example below. Bring in or email a photo of your completed sheet to info@ignitemusic.co.nz before the 7th June to receive your prize!
