## WHO IS IGNITE AND WHAT DO WE PROVIDE?

Ignite Music Academy is a well-established music school in Whangarei that specialises in group lessons. These are offered at our Kamo studio and in local schools.

We are eager to partner with schools in Whangarei by offering an engaging and educational **IN-SCHOOL MUSIC PROGRAMME SOLUTION**.

Our comprehensive package includes TUTORs, CURRICULUM, and, if necessary, INSTRUMENTS. We handle all administration and communication with parents, ensuring no additional workload for your staff. The programme is entirely FREE for your school, as parents cover all lesson costs.

This enables parents to provide their children with music tuition without the inconvenience of an additional after-school activity. It's a win-win for all involved.

## WHAT WE REQUIRE FROM YOU

- A place to teach e.g. spare classroom, a school hall, a library, resource/utility room.
- Good communication around upcoming events.
- To collect sign-up forms for new students - no processing is required.
- Wifi access for our teachers to see their rolls.

## WHAT WE TEACH

### Piano, Guitar, Ukulele, Drums (Year 3+)

**Group Lessons** (Max of 5 Students)

Weekly half-hour lessons tailored for students eager to learn a new instrument. In this collaborative environment, students unite to learn, create, and inspire each other while mastering their chosen instrument.

### Rad Rhythm (All Year Levels)

By selecting Ignite as your school's music partner you will receive a **FREE** subscription to the incredible Rad Rhythm program, typically priced at \$297 per year!

Rad Rhythm is an online, video-based music program suitable for the entire school and can be utilised by any teacher, regardless of their musical background.

Explore more at [www.radrhythm.com](http://www.radrhythm.com).

# CONTACT US NOW

Our exceptional tutors are not only passionate about teaching music but are also talented musicians dedicated to helping students flourish in both skill and confidence.

We prioritise creating a safe and positive learning environment; hence, all our teachers are police-vetted and have completed the Ignite Child Protection Policy.

We genuinely love what we do and would be honoured to work with your students.

For more details or to schedule a meeting to explore fitting your school into our timetable, please feel free to contact me.
